

THE FOREST AWAKENS

It is a weekend of camping, brotherhood, and scouting. Scouting Units, arriving from hidden bases, scattered across the state, have come for their first Universe Fracas themed camporee, put on by the Galactic District.

During this weekend of April 23-25, Units will steal secret plans to the District's ultimate weapon, Camp Campbell, a forested camping station with enough power to hold the entire Council.

The District needs you! To combat the hordecampers, we need troops willing to run the events of the weekend. Contact Mawatcamping@gmail.com at your local imperial station to volunteer for staff opportunities.

Registration begins for all campers on February 16, 2021 using a link in the Camporee webpage, <https://ocscouts.org/sa2-camporee>. Use this link to also find the event guide and updated event information as we get cloers to the date. Troops, crews, and ships are invited and encouraged to attend.

The discounted fee for Camporee is \$15 dollars for youth, guests, and adult leaders if the unit IS registered by April 16, 2021. After that date, it is \$20 for all youth, guests, and adults. (Pre-registering helps the staff budget what items can be bought for the shop; Early registration = better stuff + easy math.
